CHAPTER V

CONCLUSION AND SUGGESTION

A. CONCLUSION

Dealing with the result of the research from the questionnaire, it can be concluded that students still committed difficult.

1. From the questionnaire that the researcher carried out, it was found that the students still had difficulties in reading recount text and the kinds that caused students' difficulties in reading recount text was the students cannot do self-correction. Highest percentage of all difficulties was caused by the students cannot do self-correction with 32.6 %.
2. From the data analysis in the chapter four, the level of students' difficulties in reading recount text is fifty percent (50 %) in standard category with 10 respondents.

B. SUGGESTION

From the conclusion above, the researcher suggests:

1. The students should review the lesson at home and enlarge their knowledge about recount text. And also, the students should pay more attention when the teacher explain, the materials in front of the class.
2. The English teachers should be well prepared and explain clearly about recount text. Meanwhile, they should give motivation to

students when they learn English, and explain the lesson with different way. The English teacher should build up good relationship to students. So, it can make the students interested in studying English.
